OBJECTIVE

Starter in IT infrastructure, seeking to use my skills and learn all of the corporate business utilities that are used.

SKILLS

- Java
- HTML
- CSS
- MySQL
- Network infrastructure

LANGUAGES

- English (Professional Env.)
- French (Professional Env.)
- Dutch (Native Language)

EXPERIENCE

STUDENT JOB • MISE EN PLACE • 2015 - 2018
Leadership, manage staff, stressful environment and hospitality.

ORDERPICKER • REJO • 2014 – 2014
Teamwork, correctness and hierarchy within a corporation.

EDUCATION

SECUNDAIR • 2014 • KA VOSKENSLAAN GENT
Graduated high school in sports and science.

APPLIED ECONOMICS • 2014 - 2015 • UGENT
I started my student career with a year in economics, later it didn't really turn out to be my strongest point so I switched to Applied Informatics.

APPLIED INFORMATION TECHNOLOGY• 2015 – NOW • HOGENT
I'm currently a student at HoGent, follow a bachelor specific to networking and system administration.

VOLUNTEER EXPERIENCE OR LEADERSHIP

I have been working with my student association to realize multiple events in Ghent, these activities are very popular under the students in Ghent.
(Ex. Student Street Soccer, 24u van de Yucca)
